

## Winter Weekend Workshops

Karen's High Point of View Studio  
29801 Navarro Ridge Road @4.12 mile marker

January 14 and 15  
February 18 and 19

\$145 per weekend / \$275 for both weekends  
*(beverages and snacks provided)*

### PAINTING WITH CHINESE WHITE

**Winter white!** You are invited to spend two uninterrupted days painting in my studio with the lush layering qualities and simple unifying power of Chinese white. **Emphasis will be placed on the development of strong composition and the interplay of positive and negative space.**

#### Materials

Paint - For this process, all you need is your current color palette plus a **tube** of Chinese white or white gouache. (Note: Do not put white in your palette....keep it separate. We will use white fresh from the tube. / *highly recommend Graham Chinese White because it won't dry out!*)

Paper – 140 lb arches cold press paper, full sheets or cut to any size you wish. 300lb is ok but not necessary. (Feel free to bring work already started). Bring board supports the size of your paper(s) or a slight bit less.

Brushes - Flat wash and glazing brushes that hold an edge . Round brushes and liner brushes (Frank Webb, ex.) are also recommended.
